The Godwin-Ternbach Museum is proud to welcome contemporary artist Jordan Casteel for a virtual artist talk on Tuesday, January 19, 2021 at 7pm. Casteel has rooted her practice in community engagement, painting from her own photographs of people she encounters. Posing her subjects within their natural environments, her nearly life-size portraits and cropped compositions chronicle personal observations of the human experience.

This program is presented in conjunction with the virtual exhibition *HUMAN/Nature: Portraits from the Permanent Collection*. Program is FREE and registrations are required.

Please email gtmuseum@qc.cuny.edu to register and receive instructions on how to join us online.
