

FAMILY DAY

Re-Imagining Migrations

Sunday, November 14th 2021

10:30am - 12:00pm

Join us for this virtual program and re-imagine Migrations! Participants of all ages are welcome to join our virtual Family Day on November 14th from 10:30am - 12:00pm. We will be doing close observations of art works from the exhibition *Migrations: A Study of Arts and Identity*.

During the program, participants will hear and share stories of migrations and journeys. Each of us has a powerful story to tell and we can share and feel empowered to create something visually or ephemeral. We will also take time to move our bodies inspired by the dance performances of *Migrations*.

Program is recommended for children ages 6-11; however, children of all ages and abilities are welcome to attend!

Suggested materials for the event:

Crayons
Markers
Gel pens
Paper
Maps

Objects from your home

Program is free and registrations are required. Please email gtmuseum@qc.cuny.edu to register. Be sure to include number and ages of participants who will be attending the program.
