

(IM)MIGRATION MUSEUMS: NEW MUSEUM PRACTICES FOR DYNAMIC SOCIETIES

WEDNESDAY, MAY 4, 2022 AT 12:15PM EST

Online via Zoom

Museums, as a reflection of societies themselves, are living through times of change. This shift comes with numerous challenges. As museums rightly strive to be more equitable and inclusive, they have a responsibility to represent the experiences of a diversity of voices and communities, especially as they relate to urgent social justice issues in contemporary society.

Drawing from the experiences of the Migrations Museums Network, a global network of museums and historic sites focused on (im)migration facilitated by the International Coalition of Sites of Conscience, this presentation will explore how museums can contribute towards a renewed kind of world citizenship and be real agents for social responsibility and change.

This event is presented in collaboration with the International Coalition of Sites of Conscience. Program is FREE and registration is required. Please email gtmuseum@qc.cuny.edu to register and receive instructions on how to join us online.
