

ARTIST TALK

MEGAN MI-AI LEE

NOTHING STANDS IN ITS PLACE

MONDAY, DECEMBER 5, 2022
12:30PM-1:30PM FREE HOUR

AT GODWIN-TERNBACH MUSEUM

Megan Mi-Ai Lee's work examines the intersection of hope and infrastructure through sculpture, video, drawing, and text. In this talk, Lee will contextualize the work in *Understatements* within her current practice, most of which mines the city of Las Vegas as a specter for viewing the nation.

Using her personal history as a point of departure, this presentation will examine mechanisms of persuasion and the abstraction of value through various forms and historical events.

This program is free and is presented in conjunction with the exhibition *Understatements: Lost & Found in Asian America*. To register, please email gtmuseum@qc.cuny.edu. All visitors must provide proof of vaccination against COVID-19 at the time of visit. The museum is located on the Queens College campus in Klapper Hall, room 405.
