Join us for a tour of the Spring exhibition, *The Psychology of Portraiture*, at the Godwin-Ternbach Museum. Louise Weinberg, curator for the exhibition and co-director, will lead museum visitors in a deep dive into this particular array of objects drawn from the museum's encyclopedic collection.

This program is free and open to students and the public. RSVP encouraged to gtmuseum@qc.cuny.edu. The museum is located on the Queens College campus in Klapper Hall, room 405.
